The afternoon session will be available from 3.00pm until 5.45pm every week day during term time. There will be a pick-up service available and a healthy afternoon tea will be provided.

OUR PHILOSOPHY

The Homework Club will offer a structured, fun and exciting programme in a safe and positive environment. The aims are to provide:

- ✓ A friendly, family setting to enhance the emotional well being of the child and to ensure they are kept safe from harm.
- ✓ A qualified teacher who will establish good working habits and offer extra tuition to ensure that homework is completed in a meaningful and acceptable manner.
- ✓ Positive routines and rewards enabling the child to feel a sense of achievement and belonging.
- ✓ Art/craft activities to stimulate each child's

- ✓ interest and to satisfy their creative mind.
- Games and sports activities to encourage individual, small group and whole group play as well as enhancing social and physical skills

A quiet time to encourage each child to express themselves in a verbal and non-verbal context.

The HWC is approved by Child, Youth and Family and is a member of the OSCAR Network in Christchurch.
