Policies and Procedures

Please see the supervisor if you wish to view our Policies and Procedures. The Homework Club follows the guidelines as set out by the Ministry of Social Development. The MSD inspect our programmes every two years and all records are sighted for approval purposes on a regular basis.

Behaviour management

We use behaviour management techniques that encourage positive self-esteem. Every effort will be made to help your child settle into the programme. Our staff will follow the Behaviour Plan. If a child displays 'Red Behaviour' as per our Behaviour Plan, a Serious Incident Form will be issued and a temporary exclusion period will be imposed at the Before/After School Care Programmes. At The Holiday Programme a Serious Incident Form will result in exclusion for the remaining of the programme without notice. Any 'Black Behaviour' will result in permanent exclusion from The Homework Club. We aim at working with you to ensure your child has a positive experience at the Homework Club, and children's safety always comes first. Please see our Behaviour Plan for more information.

Special Needs

All special requirements for your child should be recorded on the Enrolment Form so that our staff can be prepared to help your child as needed. We welcome and accept every child and want to work with you to ensure a positive experience at The Homework Club. It is a breach of the Human Rights Act to deny a child entry to The Homework Club purely because they have a disability. However, if The Homework Club is genuinely unable to cater for the child's needs, e.g. for reasons of child safety or toileting issues, they are entitled to exclude them.

Emergencies

Our staff are trained to deal with emergencies. In the case of a serious accident involving your child the staff will contact you and take your child to the nearest medical facility. In a civil emergency the staff will follow the Homework Club emergency procedure and, if they cannot re-enter the venue, will walk to the nearest primary school and will wait with the children until they have been collected.

Transportation

The children will be met after school by staff members and will walk back to The Homework Club. We may require the use of transport, for example in the event of severe weather and would go by bus or taxi. If your child requires a booster seat, as taxi's are not legally obliged to provide these, we ask that you provide one. If a child turns up without one, we will need to send them in the taxi without a booster seat.

Child safety

The programme has a detailed child protection policy, which includes the reporting of any suspected child abuse to the Oranga Tamariki.

Complaints

The programme has a complaints procedure. If you have any problems please approach the supervisor and she/he will be happy to assist you with your concerns. Alternatively, please call the manager 021 274 1963 or the owner 021 274 1967 or email info@thehomeworkclub.co.nz at any time. Please see our complaints policy for further information.

Communication

Parents are encouraged to talk to the staff at any time and to call the Manager/Owner if they have any concerns or queries. In the event of any closure due to unforeseen events such as earthquakes or bad weather, we will aim to update our website and Facebook pages. Please call your Homework Club mobile for any bookings or cancellations.

Social Media

Photographs can be taken of the children for The Homework Club use only and may appear on the newsletter or on the Homework Club website or Facebook.

Advertising: I/We give permission for our child to be photographed for the purpose of sharing information and advertising, these photos may appear on Facebook/Social Media.

Consequences of this behaviour include and are limited to: Permanent exclusion.
- Children's individual needs and the individual circumstances of the incident will be taken into account and the consequence applied will depend on the perceived seriousness at that time.
- Consequences for children's behaviour to be discussed with child and staff and can be: activity preferences/more or less homework time/apology on back of reflection sheets /1 min silence to

calm group down/do the dishes/pick up rubbish/clean and sort the toy boxes/repair the books/help with the readers for a week/separate area from peers for a week

- As a general rule:

3 yellow behaviours (in one day) = Reflection Sheet (orange behaviour)

3 orange behaviours (in one week) = Serious Incident Sheet (red behaviour)

3 Serious Incidents (in one term, includes holiday programme) = Permanent Exclusion

Any act of defiance or deliberate violence will result in Black Behaviour = Permanent Exclusion

Serious incident Sheet:

- If you have had a serious incident sheet, you will be asked to be excluded from The Homework Club for a time agreed on by the parents and the Supervisor, (Red Behaviour).
- At The Holiday Programme, this may be without notice and will result in exclusion for the rest of the programme

- Parents will be informed when they collect their child of any serious incident sheets and will be asked to sign the incident/accident form.
- If more details come to light following the incident, the supervisor will contact the parents and let them know the added details and information. A record of this will be noted on the Serious Accident and Incident Form.
- An agreed exclusion time will be discussed amongst the parents and supervisor and will usually be a week
- If a caregiver collects the child on the day of the serious incident, the supervisor will call the parents to discuss the behaviour and an exclusion period

- Staff will record all serious incidents in the red folder and the supervisor will discuss with the manager
- Staff will be requested to complete the Staff Detailed Incident Record for any incident resulting in Black Behaviour and report to the Manager asap
- 3 serious incident sheets in one term (including holiday programme) will result in permanent exclusion and as above, Any act of defiance or deliberate violence will result in Black Behaviour = Permanent Exclusion, without the need to go through the three serious incident sheets first.

Policy for Difficult Children

- Divide and Conquer!! Separate the ring leader from the others and deal with individually – give the child a verbal warning.
- It will be explained to the individual what part of their behaviour is not unacceptable and they will be given some time to reflect, apart from the group. They will be invited to re-join the group, after the staff feel they have had time to reflect and accept the consequences of their actions.
- Let the child know that it is his behaviour which is the problem and he can choose to change his behaviour – it is his choice
- Allow the child some space/time to cool off and calm down and talk about the behaviour you would like to see at the HWC
- If the staff feel that the child is in danger to himself or to other children, the staff will intervene and follow The policy for Physical Restraint.
- When the child is calm, staff will ask the child / children what the problem is and let them have their say.

- Explain how their behaviour is unacceptable and in what ways they have broken the four Homework Club rules/ Behaviour levels.
- Ask the child to write a reflection sheet and/or apology letter in a separate/quiet place and to think about how they can improve their behaviour until the adult comes back to them.
- The adult will decide if the child is ready to join the others and if any apologies are necessary or if more detail is required on the reflection sheet/a longer time out period is required
- If another problem arises with the same child in the same session the child will be asked to write an apology letter which will be shown to their parents.
- If the child's behaviour is "out of control" the supervisor will call the parents to collect the child and will also inform the Manager. This will result in a red/black behaviour and will be discussed with the parent.
- One staff member will supervise the child within sight and sound of other staff until they have been collected from the Homework Club, ensuring their safety at all times.

Policy for Difficult Situations

- One staff member will stay with the group and will gather the group into a group activity to ensure they can all be supervised
- The other staff member will stay with the difficult child/children in a separate area but within sight and/or sound of another staff member.
- Staff to follow Policy for Difficult Children when dealing with the child/children involved
- Every day at The Homework Club is a new day and the slate will always be wiped clean to encourage everyone to have a fresh, positive start to every session.
- The reflection sheets will be kept for a week (on the clipboard with Fantastic 50) as evidence that 3= serious incident sheet
- The serious incident sheets will be kept for a term and will include holiday programmes (in the red folder) as evidence for 3 Serious Incidents =temporary exclusion (Red Behaviour) or any defiant or violent outbreak = permanent exclusion (Black Behaviour)
